"HE OUGHT TO BE HANGED."
YELL THE NATIONALISTS
London, July 27.—Premier Asquith, who heard of the fighting in Dublin, proceeded to London from his country home by motor car and arrived here early this morning. As the premier is also secretary of war, he immediately took charge of affairs at the war office.

Information as to the "shocking occurrence in Dublin yesterday," as John E. Ledmond, the Irish nationalist leader put it, was demanded immediately after the opening of the session of the house of commons today. Mr. Ledmond was so dissatisfied with the meagre information given him that he moved the adjournment of the house in order to debate the matter. Augustine Birrell, chief secretary of Ireland, threw the blame for yesterday's conflict between the troops and the public on the assistant police commissioner, who, he said, had requisitioned the military entirely on his own responsibility. The official consequently had been suspended while an inquiry was made.

The nationalist members shouted, "He ought to be hanged."

The matter will be debated in the house tonight.

BAND CONCERTS FOR AFTERNOONS IN THE FUTURE

Although there has been large attendance at the band concerts given by Clark's Imperial band in Robinson park last night and a week ago, it is believed that the afternoon would prove a more satisfactory hour for the Sunday musical treat, made possible by the generosity of Albuquerque merchants and for a time at least a change in the hours will be made from 8 o'clock Sunday night to 2 o'clock Sunday afternoon.

It is suggested that many invalids and many children whose parents do not care to have them out at night, can attend the afternoon concerts. Moreover there is no doubt that the evening concert interferes to some extent with church attendance and the backing of the concerts desire to avoid this. They therefore thoroughly approve the change to the afternoon hour which will be the order next Sunday afternoon.

HUERTA SOLD LAND FOR ONE CENT AN ACRE

Carranza Refuses to Recognize Alleged Purchase by Rothschilds of About all Southern California.

GRAVE COMPLICATIONS MAY FOLLOW REFUSAL

England Said to have Made Formal Demand that Concessions Given to Lord Cowdray be Legalized at Once

Tampico, Mexico, July 26.—(Via London, Tex., July 27.)—General Carranza today indicated that he will stand by the decree he issued early in the revolution regarding financial transactions made by Huerta. His attention today was called to a report that just before resigning and leaving the country Huerta received half a million dollars from Rothschilds of London, giving in return a grant for a vast area in Lower California at a price of one cent an acre. Carranza declared no such grant of public lands would be recognized and recalled that leading bankers of the world had been so notified.

It was reported here today that Sir Christopher Cludock, British admiral, on his visit to Carranza, demanded that all concessions made by Huerta to Lord Cowdray and other British citizens be ratified by the constitutionalists and that Carranza returned a positive refusal. Foreign consuls paid another visit to Carranza early today in which a discussion of political took place.

Carranza told them there should be no apprehension on their part of wholesale reprisals from the constitutionalists on those who aided Huerta.

As fast as the federal soldiers are disbanded, Carranza plans to distribute them throughout the country to repair the railroad tracks. He hopes thus to give them employment and the backing of the country to avoid this. They therefore thoroughly approve the change to the afternoon hour which will be the order next Sunday afternoon.

OROZCO, JR., DECIDES IT IS UNWHOLESOME JOB
Mexico City, July 27.—General Orozco, Jr., has abandoned his independent revolution and intends shortly to leave for Canada, according to messages intercepted here. He is said to have notified his wife, who has been in Canada for some time, that he will join her soon. The government peace delegates received their final instructions today from the acting foreign minister and expects to leave before night for San Luis Potosi.

WHOLE TOWN TURNS OUT TO WELCOME VILLA

Chihuahua, Mex., July 27.—General Villa and his wife spent Sunday at Aduana, a village north of the state capital. They were met by almost the entire population and entertained during the day.

General Angeles and others of Villa's officers accompanied them.

READY TO QUIT FIGHTING

Vera Cruz, July 27.—Reports from Vera Cruz to Mexico City indicate that the constitutionalists are not ready to cease fighting. A skirmish occurred at Soledad, where a small federal garrison made a successful resistance.

The federal commander at Orizaba, some distance nearer the capital, refused to grant the demand of a constitutionalist officer that his men be given an hour in which to sack the city in return for placing them under the command of a federal officer.

The steamship Buenos Aires, with many political refugees from Mexico on board sailed today for Europe by way of New York.

FIGHTING RESUMED AT MAZATLAN THIS MORNING

Otatón, Sinaloa, Mex., July 27.—(Via Nogales, Ariz.)—The attempt to reach an armistice between the federal garrison holding Mazatlan and the constitutionalist forces under General Obregon investing the city has failed and fighting is again in progress.

A conference between representatives of the federal and the constitutionalists was held last night on board the cruiser Albany with all foreign consuls and the capitols of the Japanese cruiser Izumo and of the Albany in attendance.

General Obregon demanded that the constitutionalist garrison leave its arms and ammunitions behind it, and this the federal refused to do. Thereupon Obregon ordered that the city be attacked at the first sign of evacuation. The truce arranged for the conference expired today and artillery began immediately. The federal garrison which evacuated Guaymas is now some miles distant from the still at Mazatlan, closely hemmed in by the constitutionalists whose lines federal outposts. The Mexican merchantman Benito Juarez left Mazatlan today for Salina Cruz, carrying the families of all the civil and military dignitaries who accompanied General Velasco from Guaymas.

His life has been given much to study as well as to action and he is regarded as well equipped for the post at Spokane. He taught at Drake university. He was chaplain in the army, and spent six and a half years in the Philippines with the Fifty-first Iowa infantry. He supplemented that work with missionary labors in the islands.

RAN FROM HOUSE, MAN PURSUED, GIRL SAYS

Shopman Says He had no Intention of Harming Chavez' Daughter and Called to Ask About Fowls.

Before Justice of the Peace Pedro B. Tartagilla, of San Jose, today, A. B. Cain was arraigned on a charge of attempting to assault the sixteen-year-old daughter of Francisco Chavez. According to the testimony, Cain came to the house yesterday afternoon, while the girl was alone. He said he called to inquire about chickens that disappeared from his place, and merely passed the time of day with the girl. The latter said she became frightened at his behavior and ran from the house, with Cain in pursuit. She ran into a neighbor's house.

Cain was locked up by Deputy Sheriff Felipe Armijo in the county jail. He is employed in the Santa Fe shops, and has been here for about a year.

Justice Tartagilla reserved his decision until this afternoon.

posed of \$2,400,000. M. Caillaux said: "We may well be astonished at the singularly rapid increase of M. Caillaux's fortune. In our middle class families it would take 150 years for such a fortune to accumulate."

"We have heard a lot of testimony," M. Caillaux continued, "of the fine character of M. Caillaux from Henri Bernstein (the playwright) in particular. It does not come well from a man who failed in his full duty toward his country (referring to Bernstein's alleged desertion from the army) to deliver certificates of morality."

Maitre Chenu—"Would M. Caillaux tell us in what way all this excuses the crime of his wife?"

"There are some questions which ought not be asked," M. Caillaux replied hotly, "but since I am asked I shall answer. There is something perhaps worse than losing one's life: That is to live by attacking women and enriching ones self at their expense."

While reading the will of Calmette, M. Caillaux said:

"I wish to draw particular attention to the clause saying: 'A greater part of the fortune I leave comes from a personal gift made to me by Madame Dourain, it being understood that I paid her an income therefrom during her life.'"

"What do we gather from this will?" M. Caillaux continued. "First of all that the act of gift was executed illegally, which constitutes a testamentary fraud. How did Madame Dourain, who inherited from M. Chaudard under conditions it were better not to dwell on, from 15,000,000 to 16,000,000 francs consent to give up 5,000,000 to M. Calmette? It has never been explained to me which I have despaired to see."

ALBUQUERQUAN HAS BECOME PULPIT ORATOR

Rev. Grover Emmons, of San Marcial, son of Mr. and Mrs. J. D. Emmons, of this city, preached at the Central Avenue Methodist church yesterday morning. Rev. Mr. Emmons is a graduate of the University of New Mexico, and prepared for the ministry at Vanderbilt university. Since his ordination he has been stationed at San Marcial.

His sermon yesterday was forceful, and marked him as a pulpit orator of power and magnetism. His many friends in the congregation were delighted with the sermon, and he was showered with congratulations at the conclusion of the service.

INSTITUTE FOR THE SUNDAY SCHOOL WORKERS

International Sunday School Secretary in Strenuous Day's Work Effects Permanent Organization in Albuquerque.

VISITS EVERY SUNDAY SCHOOL IN THE CITY

Rev. W. A. Brown the International Sunday school worker had a busy day yesterday and the result is the Sunday school workers of Albuquerque were filled with new ideas and plans for larger and better work in their various organizations.

In the morning a whirlwind trip was made; Dr. Brown visiting for a few moments every Sunday school in session in the city.

At 2 o'clock in the afternoon he met the Sunday school superintendents, pastors, officers and other workers in the Central Avenue Methodist church. This was perhaps the most important gathering of the kind ever held in the city. When the plans formulated in the gathering are carried out Albuquerque will have a Sunday school teachers' training institute formed along lines which have been stipulated in the cities throughout our land.

The institute will have two semesters of 15 weeks each. Meetings to be held in the evening once a week. There will be a dean of the organization and associated with him a number of men and women capable of lecturing along special lines of pedagogy, child study, and kindred subjects of interest. This will constitute the executive committee. The faculty will be composed of leaders for the department work, viz, beginners, primary and junior department, secondary division taking in boys and girls from 12 to 20. Adult department and special departments for temperance, mission study and a department for the superintendents and officers of the schools.

Each meeting night the first half of the time will be given to the lecture and discussion on a general subject; the balance of the time the gathering will be divided into the various departments with a leader for each department. Thus these teaching little children will study together. The teachers of boys with many problems to solve will meet with other teachers facing the same problems. Problems of the officers will be solved in their special department. It is also expected also to gather in these meetings those who are preparing to be teachers, thus building up a corps of teachers with special training for Sunday school work. A complete announcement of the dean, executive committee and faculty will be made later after the committee has been able to secure the consent of those appointed.

Last night Dr. Brown addressed a big mass meeting in the Lead Avenue Methodist church, taking his subject, "The rights of growing folks."

He made an earnest plea for the "rights" of the little ones from the time they are brought into the world until they reach young manhood and young womanhood. He denounced in no uncertain terms men in positions of trust who allow dens of iniquity and vice to exist as pitfalls for the youth of our cities.

A combined choir from the various churches rendered several bright musical selections.

Dr. Brown leaves this evening for Mountainair where he will appear on the Chautauque program.

MRS. WILSON MUST ALSO ANSWER TO COMPLAINT

Joe Badaracco Swears Out Warrant Against Woman Who Charges Officer with Assault. Hearing Tomorrow

Joseph Badaracco today swore out a complaint against Mary Wilson, of West Tijeras avenue and Fourth street, who yesterday had Patrolman Charles Mainz cited to appear before Justice A. J. Garcia, of Martinez, La., off a charge of assault growing out of the trouble between her and Badaracco. Mainz was to have been heard today, but the hearing before Justice Garcia was put off until tomorrow. Mrs. Wilson will be arraigned tomorrow before Justice George H. Craig.

Mainz says that Badaracco made verbal complaint to him Friday night against Mrs. Wilson. Badaracco said the woman attacked him at Third and Tijeras avenue, throwing things at him and tearing his clothes. Mainz went to the woman's house to arrest her. She refused to accompany him, the officer says, and he started pulling her to the door. That was the only approach to violence used, Mainz says, except that he knocked the woman's dog through the door with his club when it attacked him. Badaracco told Mainz that the woman's leg was broken some time ago, and she feared it would break again and she was ill, so with Badaracco's consent, Mainz said he released the woman.

Today, when Badaracco learned that Mrs. Wilson had accused the officer of assault, he filed formal complaint against the woman.

NEW COMMERCIAL MAP OF CITY BEING MADE

It is a Boosting, Advertising and Useful Article Which Will be Welcomed by Business men Generally.

A new and most artistically compiled and drawn map of Albuquerque has just been completed and is ready for the press.

The commercial feature is an entirely new one and is certainly one of the most valuable ever put on paper. In addition to showing the streets, alleys and several blocks the map shows the new A. T. & S. F. shops in minute detail, just as they will be when completed, and this feature alone is of intrinsic value.

The especially new and commercial feature consists in naming of business lots throughout the entire city, the name of the owner and business conducted thereon, making a complete business directory and a great advertiser of the individual businesses.

The location of every church and school in the city is shown and in order to make the location more prominent they will appear in a color which will contrast with their surrounding colors. The location of the Y. W. C. A., Woman's club, Elks' theater, Commercial club, Masonic Temple, hospitals, library and Alvarado are to be shown in the same way, these also being classed as non-financial institutions.

The work is to be a beautiful production of art, a beautifier and advertiser of the individual business as well as of the entire city.

WHAT IS MEANING OF THE ARROWS ABOUT TOWN?

Much Speculation has been Occasioned of Arrows Bearing Strange Inscriptions.

Have you found an arrow bearing a strange inscription on your premises the past few days? Have you found two arrows? Most people in Albuquerque have and they are all wondering what is the meaning of it all.

"It is Time to be Thinking" are the words appearing on one of the arrows. The other bears the words, "Only a Few More Days." Still a third today says, "Your Time Has Come." These arrows have appeared in great profusion. They are mystifying the people and so far no one has come forward with a solution of what it all means. There will be more developments soon. The outcome will be awaited with interest by everyone.

OLD DON, VETERAN FIREHORSE, IS DEAD.

"Don" one of the horses used in the street department, the oldest horse in the city's service, died last night. "Don" was a firehorse before he was transferred to the street department. Old age as much as anything else carried him off.
